GeODin software can be tested free for 14 consecutive days - if you need to extend the test period please contact us by e-mail at least 3 working days before the due expiry date. If you decide not to purchase GeODin software, please send back the USB-key in the original packing by registered post or by courier - *please do not use normal postal delivery services*. GeODin 7 is supplied on DVD with a USB HASP key. If we do not receive the USB key within 10 days after your test version has expired we will invoice you for the software. If your have any questions regarding the installation or use of GeODin software please contact support@geodin.com. Our hotline is available from 09:00 to 16:00 CET on +49 1805 436346.
